IDYLWEISS SHORTHORN DISPERSION SALE

TERMS

CONDITION

GUARANTEE

LOCATION – The sale will be held under cover at the Cummings farm 4 miles north of Elizabeth, Colorado, on all-weather road, at 12:30 P.M.

GUARANTEE – Since this is a complete dispersion, all of the cattle will be sold without guarantees, but we would like to point out that with the exception of the open heifers all of the females either have calves at foot or are very close to calving. The production record of our Shorthorns is one of the best, and accurate information has been given with reference as to breeding dates, etc., and announcements from the auction block will have precedence over printed information.

TERMS – The terms of the sale are cash.

HEALTH – Official vaccination for Bangs disease has been practiced. T. B. and Bangs tests will be furnished on every animal sold and official vaccination certificates with all females under 24 months of age. Every lot will comply with the health regulations into any state which they may go.

Each animal will be at purchaser's risk as soon as bid off but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge, but at purchaser's risk of loss or injury.

The above terms and guarantee constitute a contract between the sellers and the buyer of each lot. Neither the sale manager nor the person delegated as clerk assumes any liability, legal or otherwise.

All persons who attend this sale do so at their own risk and the owner assumes no liability, legal or otherwise, for any accidents that may occur.

SAT., DEC. 10, 1955

ELIZABETH, COLO.

Dear Friends:

Idylweiss Shorthorns have become known over the entire country the past few years, for their consistency in producing show winners every year, in Steer Shows as well as Breeding shows. They have been developed into a herd of cattle that can be depended on to produce some of the very top individuals year in and year out.

We have spent about 40 years in the development of this herd; and all this time we have put forth every effort to keep improving our cattle.

Now — we have decided to sell "The Idylweiss Stock Farm" and this calls for a dispersion sale of our cattle. These cattle that have worked their way to the top of the industry on their own strength by our continuous use of improving herd sires and occasionally adding a few outstanding females to the herd and the culling out of the poorest producers.

We wonder sometimes if we are doing the right thing, when we offer the herd for sale. Because they are the kind of cattle we have always dreamed of owning. A herd in which not a single individual need be apologized for when visitors stop to see Idylweiss Shorthorns.

There is also a complete Show Herd ready to go and would make an excellent account of themselves in any show.

Perhaps we have said enough about the cattle because they can speak for themselves on sale day.

So now we extend you an invitation to be with us at Elizabeth, Colorado, December 10, for the Dispersion of our Idylweiss Shorthorns. We are putting forth every effort to make your visit enjoyable as well as profitable to you.

JOHN R. and RUSSEL CUMMINGS

IDYLWEISS SHORTHORN DISPERSION SALE

IDYLWEISS SHORTHORNS SELL IN COMPLETE DISPERSION

SATURDAY — DECEMBER 10

Elizabeth, Colorado

The sale will start promptly at 11:00 A.M. and will be held in the
Elizabeth Sale Pavilion

EVERYTHING SELLS

102 Head of Breeding Cattle

12 Show Steer Prospects

Here is the herd that has set the pace in this entire mid-western territory. Because of our rapidly expanding machinery business in Castle Rock our 2500 acre ranch is being sold and our richly bred Shorthorn herd that was started in 1918 and has been located here at Elizabeth, Colorado, since 1944 must now be sold.

13 BULLS — Included will be the herd bulls, Prince Peter Archer, sire of the National first prize winner and \$3,000 top selling heifer, Idylweiss Nonpareil 2d; Elcona National Leader, whose calves are some of the best we have ever produced; Braemor President 22d, first prize senior yearling at the 1955 National Shorthorn Show at Denver. **10 YOUNG YEARLING BULLS** including our entire 1955 show herd. In this group will be ISF Leader, the outstanding red junior yearling by Elcona National Leader that won his class in the 1955 State Fair at Hutchinson, the only place shown. Especially outstanding are three young bulls sired by Idylweiss Major, purchased in our 1954 sale for \$2,075 by Colorado A & M College.

68 FEMALES — all good ages and regular producers. Top cattlemen who know, say this is one of the "best headed," smoothest, high quality cow herds in the entire business. There will be 21 cows with big, husky calves at foot, 47 bred cows and heifers, all to calve in early spring. Everything sells T.B. and Bangs tested and due to the careful culling program always carried on in this herd the quality is uniform and extra good.

Features In This Sale That Can't Be Duplicated Anywhere —

- ♦ Your opportunity to buy the sires and dams of many National show first prize winners.
- ♦ There will be a full brother and a full sister to the \$2,075 National first prize winner, Idylweiss Major.
- ♦ Both the sire and the dam of the \$3,000 Idylweiss Nonpareil 2d sell, as well as her full sister. She was undefeated in 9 National shows in 1953.

Forty years of Sound breeding development have produced a herd in which not a single individual need be apologized for.

Included is a complete show herd ready to go and they will do their share of winning.

JOHN R. & RUSSEL J. CUMMINGS, Owners, ELIZABETH, COLORADO

Idylweiss St

Stock Ranch

An aerial photograph of a large stock ranch. The image shows several large, rectangular buildings, likely barns or warehouses, with dark roofs. There are also smaller structures and a large, open area that appears to be a corral or a field. A winding road or path runs through the center of the ranch. The overall scene is a vast, open landscape with some trees and shrubs scattered around the buildings.

COLLEGE MAID 56th — will be bred by sale day.

FROM THE SALE MANAGER

It has been a real privilege for me to be connected closely with the annual sales held at Idylweiss Stock Farm by John R. Cummings & Son. They have all been successful sales, primarily because of the outstanding quality bulls and females produced and offered each year. I, like the many friends of the Cummings, regret that this complete dispersion has become necessary at this time.

When Russel Cummings became actively engaged in the machinery business in Castle Rock, Colorado, it was evident that John Cummings was left with much responsibility, more than his good well-being dictates that he should have.

In every dispersion of a great herd such as this one there is a terrific loss to the breed. However, there is also a big gain to be had by the purchasers.

I went over every lot selling in this sale with the Cummings in mid October and was pleased to see the ideal condition that the cattle will be offered in on December 10. Every last hoof on the ranch sells and this gives buyers the opportunity to buy not only the sires and dams but also the full brothers and sisters of the many outstanding Idylweiss show winners and top sellers during the past several years. I have always been impressed with the good heads and smooth, beefy type of the Cummings herd. It is an entire herd in top production and it is yours for the bidding on December 10. We'll look forward to seeing all of our Shorthorn friends on this date at Elizabeth, Colorado.

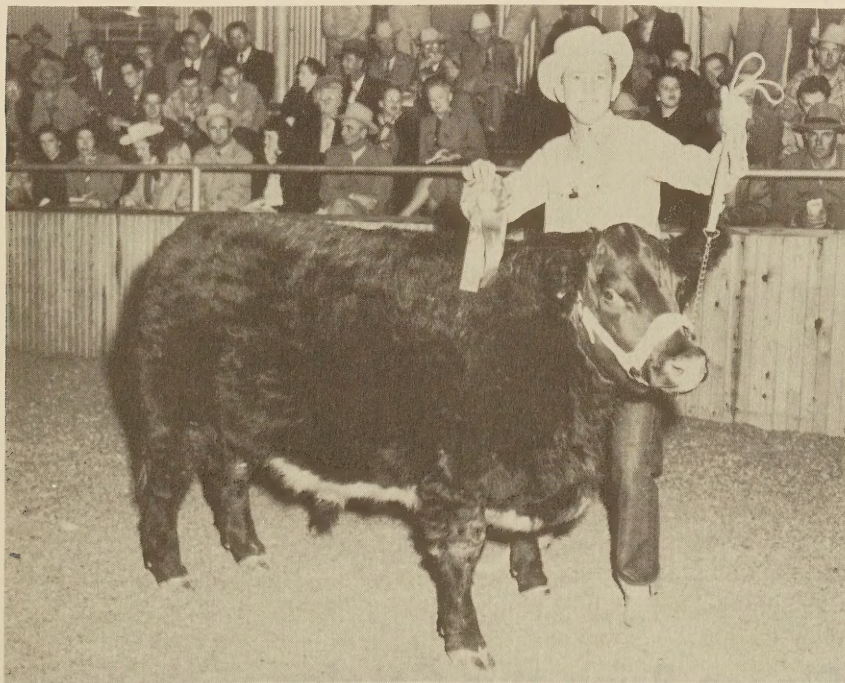

MERV AEGERTER, Sale Manager

12 TOP SHORTHORN STEER CALF PROSPECTS, each capable of making a winner like the two pictured on the opposite page will be sold promptly at 11:00 A.M.

Beverly Fisher with her second prize medium weight steer at the 1952 Western Stock Show, Denver, Colorado. Sired by Prince Peter Archer and bred by John R. Cummings & Son.
